Celebrate Men's Health Week and pay tribute to Victorian Water Industry stalwart Laurie Gleeson at:

THE BIGGEST EVER LAURIE GLEESON DINNER 2016

Laurie was Managing Director of Goulburn Valley Water from 1980 to 2008. He was Past President and a member of the Executive Council of the IWA, a former Board member of WSAA and long time supporter of WIOA.

After his diagnosis with prostate cancer, Laurie worked tirelessly to lobby the Federal Government to include the life-extending cancer drug Zytiga on the Pharmaceutical Benefits Scheme. Laurie was posthumously awarded an Order of Australia for his work in 2015.
